

Consultation Report

Appendix 6: S48 Consultation

Thurrock Flexible Generation Plant

Application document number A5.1.6

Appendix 6.1

S48 Notice

**Section 48 Planning Act 2008
Regulation 4 Infrastructure Planning (Applications: Prescribed Forms and
Procedure) Regulations 2009**

**Notice of proposed application for Development Consent Order to construct,
operate and decommission the Thurrock Flexible Generation Plant, Tilbury
Marshes.**

1. Notice is hereby given that Thurrock Power Limited ('TPL'), of 1st Floor, 145 Kensington Church Street, London, W8 7LP intends to apply to the Secretary of State for Business, Energy and Industrial Strategy for a Development Consent Order ('DCO') under section 37 of the Planning Act 2008 (the 'Act') to authorise the construction, operation and decommissioning of a gas fired flexible electricity generation plant and battery storage facility (the 'Project').
2. The Project will include reciprocating gas engines, batteries, and associated electrical and control equipment. A new temporary access road and a gas pipeline connection to the gas national transmission system will be developed. The electrical export connection will be via underground cables to the immediately adjacent National Grid Tilbury Substation. TPL has been established by Statera Energy Limited to develop the Project.
3. The main development site for the Project covers an area of approximately 18 hectares and is located on the Tilbury Marshes, just east of the existing Tilbury Substation.
4. The proposed DCO would, among other things, licence and authorise:
 - reciprocating gas engines with rated electrical output totalling up to 600 MW;
 - batteries with rated electrical output of 150 MW and storage capacity of up to 600 MW;
 - gas and electricity connections, access road(s) and minor public highway widening for delivery of large loads;
 - designation of replacement common land (exchange land) and possible creation of habitat for protected species translocation;
 - if required, the permanent and/or temporary compulsory acquisition of land and/or rights over land for this Project;
 - if required, overriding of easements and other rights over or affecting land for this Project;
 - if required, permanent and/or temporary changes to the highway network for this Project
 - temporary construction compounds for the flexible power generation plant, gas connection and electrical connection;
 - site drainage and waste management infrastructure and other services;
 - the application and/or disapplication of legislation relevant to the Project, as may be required;

- construction, operation and maintenance of associated development;
 - if required, the temporary stopping up of public footpaths during construction;
 - such ancillary, incidental and consequential works, provisions, permits, consents, waivers or releases as are necessary and/or convenient for the successful construction, operation, maintenance and decommissioning of the Project.
5. Due to the nature and size of the Project, TPL is undertaking an Environmental Impact Assessment ('EIA'). The Project is therefore classified as EIA development under the Infrastructure Planning (Environmental Impact Assessment) Regulations 2017. As such, the proposed application for DCO will be accompanied by an Environmental Statement ('ES'), which will provide a detailed description of the Project and its potential environmental impacts.
 6. Information compiled to date about the Project's potential environmental impacts is contained in a Preliminary Environmental Information Report ('PEIR'), which includes a non-technical summary. These documents will be available to view or download free of charge on the Project website (www.thurrockpower.co.uk) from 16th October 2018.
 7. The above documents, along with a 'have your say' document, plan(s) showing the application area and a Statement of Community Consultation will be available to view free of charge during the formal consultation period, from 16th October to 14th November 2018, at the following public venues (opening times may vary):

Location	Address
Thurrock Council	Civic Offices, New Road, Grays, RM17 6SL
Tilbury Hub	16 Civic Square, Tilbury, RM18 8ZZ
Gravesend Library	Windmill Street, Gravesend, DA12 1BE
Chadwell St Mary Library	Brentwood Road, Chadwell St Mary, Grays, RM16 4JP

8. The above documents will also be available to view free of charge during the formal consultation period at the main offices of Thurrock Council at: Civic Offices, New Road, Grays, RM17 6SL, telephone: 01375 652652 and at four public consultation exhibitions which will be held by TPL at the following locations and times:

Location	Venue	Date	Time
Gravesend	The Court Room, Gravesend Old Town Hall, High Street, Gravesend, DA11 0AZ	Tuesday 16th October 2018	11am to 8pm
West Tilbury	West Tilbury Village Hall, Rectory Road, West Tilbury, RM18 8UD	Tuesday 23rd October 2018	11am to 8pm
Tilbury Hub	Tilbury Hub, 16 Civic Square, Tilbury, RM18 8ZZ	Friday 2nd November 2018	11am to 8pm
Linford	Linford Village Hall, Lower Crescent, Linford, SS17 0QP	Wednesday 7th November 2018	11am to 5.30pm

9. DVD copies of the full PEIR will be available at the above public exhibition venues and may be taken away free of charge. Hard copies of the full PEIR and appendices may be requested and a reasonable charge up to a maximum of £500 will apply. Copy documents and/or PEIR DVD's may be requested by emailing TPL at: contact@thurrockpower.co.uk, or by writing to us at the postal address in paragraph 1, above, or by telephoning us on: 0207 186 0580.

10. If you wish to respond to this notice and/or make representations about the Project, these should be provided to TPL. Please include your name and a postal or email address where correspondence about the response can be sent. Representations can be made in the following ways: website: www.thurrockpower.co.uk; email: contact@thurrockpower.co.uk; Freepost to: Freepost **THURROCK POWER**; telephone: 0207 186 0580.
11. Your responses will be analysed by TPL and/or their appointed agents and copies may be made available to the Planning Inspectorate, Secretary of State and/or other relevant statutory bodies in due course. We will request that your personal details are not placed on the public record. Your personal details will be held securely by TPL and/or their appointed agents in accordance with relevant current data protection legislation and will be used solely in connection with the consultation process and subsequent DCO application and, except as noted above, will not be passed to any third parties. If you are responding on behalf of an organisation, the organisation may be named in the Consultation Report which will accompany our DCO application.
12. **Please note that all responses must be received by TPL by 11.59pm on 14th November 2018.** TPL cannot guarantee that late responses will be considered.

Appendix 6.2

Copies of S48 Notice published in four local newspapers (27th September 2018 and 4th October 2018), one national newspaper (the Times, 9th October 2018) and the London Gazette (9th October 2018)

PUBLIC NOTICE

Section 48 Planning Act 2008

Regulation 4 Infrastructure Planning (Applications: Prescribed Forms and Procedure) Regulations 2009

Notice of proposed application for Development Consent Order to construct, operate and decommission the Thurrock Flexible Generation Plant, Tilbury Marshes.

1. Notice is hereby given that Thurrock Power Limited (TPL), of 1st Floor, 145 Kensington Church Street, London, W8 7LP intends to apply to the Secretary of State for Business, Energy and Industrial Strategy for a Development Consent Order (DCO) under section 37 of the Planning Act 2008 (the Act) to authorise the construction, operation and decommissioning of a gas fired flexible electricity generation plant and battery storage facility (the Project).
2. The Project will include reciprocating gas engines, batteries, and associated electrical and control equipment. A new temporary access road and a gas pipeline connection to the gas national transmission system will be developed. The electrical export connection will be via underground cables to the immediately adjacent National Grid Tilbury Substation. TPL has been established by Sisters Energy Limited to develop the Project.
3. The main development site for the Project covers an area of approximately 18 hectares and is located on the Tilbury Marshes, just east of the existing Tilbury Substation.
4. The proposed DCO would, among other things, licence and authorise:
 - reciprocating gas engines with rated electrical output totalling up to 600 MW;
 - batteries with rated electrical output of 150 MW and storage capacity of up to 800 MW;
 - gas and electricity connections, access roads) and minor public highway widening for delivery of large loads;
 - designation of replacement common land (exchange land) and possible creation of habitat for protected species translocation;
 - if required, the permanent and/or temporary compulsory acquisition of land and/or rights over land for the Project;
 - if required, overriding of easements and other rights over or affecting land for this Project;
 - if required, permanent and/or temporary changes to the highway network for this Project;
 - temporary construction compounds for the flexible power generation plant, gas connection and electrical connection;
 - site drainage and waste management infrastructure and other services;
 - the application and/or dispensation of legislation relevant to the Project, as may be required;
 - construction, operation and maintenance of associated development;
 - if required, the temporary stopping up of public footpaths during construction;
 - such ancillary, incidental and consequential works, provisions, permits, consents, waivers or releases as are necessary and/or convenient for the successful construction, operation, maintenance and decommissioning of the Project.
5. Due to the nature and size of the Project, TPL is undertaking an Environmental Impact Assessment (EIA). The Project is therefore classified as EIA development under the Infrastructure Planning (Environmental Impact Assessment) Regulations 2017. As such, the proposed application for DCO will be accompanied by an Environmental Statement (ES), which will provide a detailed description of the Project and its potential environmental impacts.
6. Information compiled to date about the Project's potential environmental impacts is contained in a Preliminary Environmental Information Report (PEIR), which includes a non-technical summary. These documents will be available to view or download free of charge on the Project website (www.thurrockpower.co.uk) from 16th October 2018.
7. The above documents, along with a have your say document, plan(s) showing the application area and a Statement of Community Consultation will be available to view free of charge during the formal consultation period, from 16th October to 14th November 2018, at the following public venues (opening times may vary):

Location	Address
Thurrock Council	Civic Offices, New Road, Grays, RM17 6SL
Tilbury Hub	16 Civic Square, Tilbury, RM18 8ZZ
Gravesend Library	Windmill Street, Gravesend, DA12 1BE
Chadwell St Mary Library	Brentwood Road, Chadwell St Mary, Grays, RM16 4JP

8. The above documents will also be available to view free of charge during the formal consultation period at the main offices of Thurrock Council at: Civic Offices, New Road, Grays, RM17 6SL, telephone: 01375 652652 and at four public consultation exhibitions which will be held by TPL at the following locations and times:

Location	Venue	Date	Time
Gravesend	The Court Room, Gravesend Old Town Hall, High Street, Gravesend, DA11 6AZ	Tuesday 16th October 2018	11am to 8pm
West Tilbury	West Tilbury Village Hall, Rectory Road, West Tilbury, RM18 8UD	Tuesday 23rd October 2018	11am to 8pm
Tilbury Hub	Tilbury Hub, 16 Civic Square, Tilbury, RM18 8ZZ	Friday 2nd November 2018	11am to 8pm
Lindford	Lindford Village Hall, Lower Crescent, Lindford, SS17 0QP	Wednesday 7th November 2018	11am to 5.30pm

9. Dated copies of the full PEIR will be available at the above public exhibition venues and may be taken away free of charge. Hard copies of the full PEIR and appendices may be requested and a reasonable charge up to a maximum of £500 will apply. Copy documents and/or PEIR (DfDs) may be requested by emailing TPL at: contact@thurrockpower.co.uk or by writing to us at the postal address in paragraph 1, above, or by telephoning us on: 0207 186 0580.
10. If you wish to respond to this notice and/or make representations about the Project, these should be provided to TPL. Please include your name and a postal or email address where correspondence about the response can be sent. Representations can be made in the following ways: website: www.thurrockpower.co.uk; email: contact@thurrockpower.co.uk; Freepost: Freeport, THURROCK POWER; telephone: 0207 186 0580.
11. Your responses will be analysed by TPL and/or their appointed agents and copies may be made available to the Planning Inspectorate, Secretary of State and/or other relevant statutory bodies in due course. We will request that your personal details are not placed on the public record. Your personal details will be held securely by TPL and/or their appointed agents in accordance with relevant current data protection legislation and will be used solely in connection with the consultation process and subsequent DCO application and, except as noted above, will not be passed to any third parties. If you are responding on behalf of an organisation, the organisation may be named in the Consultation Report which will accompany our DCO application.
12. Please note that all responses must be received by TPL by 11.59pm on 14th November 2018. TPL cannot guarantee that later responses will be considered.

BRENTWOOD BOROUGH COUNCIL STATUTORY PLANNING NOTICE

Notice is hereby given that the Council has received the following applications which need to be advertised for the following reasons set out below:

Application No: 18/01481/FUL
Location: Flats 1-48 The Square Hart Street Brentwood Essex
Propose: Replacement of existing windows, French doors and conservatories to all Flats 1-48 with new double glazed uPVC units.
Reason: Conservation Area
Listed Building

Application No: 18/01412/LBC
Location: The Black Horse 420 Ongar Road Pilgrims Hatch Essex CM15 9UN
Propose: External alterations including the re-painting of elevations, replacement boundary treatments, closing up of redundant vehicular access, internal alterations to include removal of non original leaner post, new corner section to bar, removal of part section of bar and new replacement.
Reason: Listed Building

Application No: 18/01411/FUL
Location: The Black Horse 420 Ongar Road Pilgrims Hatch Essex CM15 9UN
Propose: External and internal alterations, including the re-painting of elevations, replacement boundary treatments and closing up of redundant vehicular access.
Reason: Listed Building

Application No: 18/01462/FUL
Location: 14 Fryerning Lane Inglestone Essex CM4 0DD
Propose: Single storey timber outbuilding for use as a garden room.
Reason: List Conservation Area

Application No: 18/01506/FUL
Location: 100 High Street Brentwood Essex CM14 4AP
Propose: Replacement of existing glass to shop frontage and change black paintwork to dark grey.
Reason: Listed Building and Conservation Area

Application No: 18/01290/FUL
Location: Draycott House Back Lane Fryerning Essex CM4 0FR
Propose: Part single part two storey rear extension, add side dormer and construct detached garage with carport and detached gym building.
Reason: Conservation Area
 Affects the setting of a Listed Building

Application No: 18/01376/FUL
Location: Ardleigh Court Hutton Road Shenfield Brentwood Essex CM15 8LZ
Propose: Construction of additional level over existing units to create 14 residential units comprising of 9 No. 1 bed and 11 No. 2 bed flats with provision of balconies, alterations and extensions to communal entrances to provide 9 No. additional parking and garaging, with cycle store.
Reason: Major Development

Application No: 18/01480/FUL
Location: Old Manor House Church Street Blackmore Essex CM4 0RN
Propose: Replacement of existing conservatory with new rear extension, and insertion of conservation roof lights to existing single storey element and internal alterations removal of internal beam, addition of internal door and doorway to be blocked up within the kitchen.
Reason: Listed Building and Conservation Area

Application No: 18/01494/LBC
Location: Old Manor House Church Street Blackmore Essex CM4 0RN
Propose: Replacement of existing conservatory with new rear extension, insertion of conservation roof lights to existing single storey element and internal alterations removal of internal beam, addition of internal door and doorway to be blocked up within the kitchen.
Reason: Listed Building and Conservation Area

DATED: 04.10.2018
 Philip Ruck, Chief Executive, Town Hall, Ingrave Road, Brentwood CM15 5AY

THURROCK POWER LIMITED PUBLIC CONSULTATION EXHIBITIONS PROPOSAL TO BUILD A GAS FIRED ELECTRICITY GENERATING POWER STATION AND BATTERY STORAGE FACILITY ON TILBURY MARSHES

Thurrock Power Limited is seeking the views of the public on its proposals to build, operate and decommission a gas fired electricity generating peaking plant and battery storage facility on Tilbury Marshes and on the findings of its preliminary environmental information studies.

We are holding four public consultation exhibitions where you will be able to find out more about the proposed project and provide feedback to us. Members of our project team will be on hand to give further information and answer any questions you may have.

- EXHIBITIONS IN THE LOCAL AREA**
- Tuesday, 16th October 2018 from 11am to 8pm
The Court Room, Gravesend Old Town Hall, High Street, Gravesend, DA11 6AZ
 - Tuesday, 23rd October 2018 from 11am to 8pm
West Tilbury Village Hall, Rectory Road, West Tilbury, RM18 8UD
 - Friday, 2nd November 2018 from 11am to 8pm
Tilbury Hub, 16 Civic Square, Tilbury, RM18 8ZZ
 - Wednesday 7th November 2018 from 11am to 5.30pm
Lindford Village Hall, Lower Crescent, Lindford, SS17 0QP

Public Notices

**Section 48 Planning Act 2008
Regulation 4 Infrastructure Planning (Applications: Prescribed Forms and Procedure) Regulations 2009**

- Notice of proposed application for Development Consent Order to construct, operate and decommission the Thurrock Flexible Generation Plant, Tibury Marshes.**
1. Notice is hereby given that Thurrock Power Limited (TPL), of 1st Floor, 143 Kensington Church Street, London, W8 7LP intends to apply to the Secretary of State for Business, Energy and Industrial Strategy for a Development Consent Order (DCO) under section 37 of the Planning Act 2008 (the 'Act') to authorise the construction, operation and decommissioning of a gas fired flexible electricity generation plant and battery storage facility (the 'Project').
2. The Project will include retrofitting gas engines, batteries, and associated electrical and control equipment. A new temporary access road and a gas pipeline connection to the gas national transmission system will be developed. The electrical export connection will be via underground cables to the immediately adjacent National Grid Tibury Substation. TPL has been established by Statera Energy Limited to develop the Project.
3. The main development site for the Project covers an area of approximately 18 hectares and is located on the Tibury Marshes, just east of the existing Tibury Substation.
4. The proposed DCO would, among other things, licence and authorise:
- Retrofitting gas engines with rated electrical output totalling up to 600 MW;
 - Batteries with rated electrical output of 150 MW and storage capacity of up to 630 MWh;
 - Gas and electricity connections, access road(s) and minor public highway widening for delivery of large loads;
 - Designation of replacement common land (exchange land) and possibly creation of habitat for protected species introduction;
 - If required, the permanent and/or temporary compulsory acquisition of land and/or rights over land for this Project;
 - If required, overlying of easements and other rights over an affecting land for this Project;
 - If required, permanent and/or temporary change to the highway network for this Project;
 - Temporary construction compounds for the flexible power generation plant, gas connection and electrical connection;
 - Site drainage and waste management infrastructure and other services;
 - The application and/or discontinuation of legislation relevant to the Project, as may be required;
 - Construction, operation and maintenance of associated development;
 - If required, the temporary stopping up of public footpaths during construction;
 - Such ancillary, incidental and consequential works, provisions, permits, consents, waivers or releases as are necessary and/or convenient for the successful construction, operation, maintenance and decommissioning of the Project.
5. Due to the nature and size of the Project, TPL is undertaking an Environmental Impact Assessment (EIA). The Project is therefore classified as EIA development under the Infrastructure Planning (Environmental Impact Assessment) Regulations 2017. As such, the proposed application for DCO will be accompanied by an Environmental Statement (ES), which will provide a detailed description of the Project and its potential environmental impacts.
6. Information compiled to date about the Project's potential environmental impacts is contained in a Preliminary Environmental Information Report (PEIR), which includes a non-technical summary. These documents will be available to view or download free of charge on the Project website (www.thurrockpower.co.uk) from 16th October 2018.
7. The above documents, along with a 'have your say' document, plan(s) showing the application area and a Statement of Community Consultation will be available to view free of charge during the formal consultation period, from 16th October to 14th November 2018, at the following public venues (opening times may vary):

Location	Address
Thurrock Council	Civic Offices, New Road, Grays, RM17 6SL
Tibury Hub	16 Civic Square, Tibury, RM18 8ZZ
Gravesend Library	Windmill Street, Gravesend, DA12 1BE
Chadwell St Mary Library	Brentwood Road, Chadwell St Mary, Grays, RM16 4JP

8. The above documents will also be available to view free of charge during the formal consultation period at the main offices of Thurrock Council at Civic Offices, New Road, Grays, RM17 6SL, telephone: 01376 652652 and at four public consultation exhibitions which will be held by TPL at the following locations and times:

Location	Venue	Date	Time
Gravesend	The Court Room, Gravesend Old Town Hall, High Street, Gravesend, DA11 0AZ	Tuesday 16th October 2018	11am to 8pm
West Tibury	West Tibury Village Hall, Rectory Road, West Tibury, RM18 8UD	Tuesday 23rd October 2018	11am to 8pm
Tibury Hub	Tibury Hub, 16 Civic Square, Tibury, RM18 8ZZ	Friday 2nd November 2018	11am to 8pm
Linford	Linford Village Hall, Lower Crescent, Linford, SS17 0QP	Wednesday 7th November 2018	11am to 5.30pm

9. DVD copies of the full PEIR will be available at the above public exhibition venues and may be taken away free of charge. Hard copies of the full PEIR and applications may be requested and a reasonable charge up to a maximum of £500 will apply. Copy documents and/or PEIR DVD's may be requested by emailing TPL at: contact@thurrockpower.co.uk, or by writing to us at the postal address in paragraph 1, above, or by telephoning us on: 0207 188 0590.
10. If you wish to respond to this notice and/or make representations about the Project, these should be provided to TPL. Please include your name and a postal or email address where correspondence about the response can be sent. Representations can be made in the following ways: website: www.thurrockpower.co.uk; email: contact@thurrockpower.co.uk; Freepost to: Freepost THURROCK POWER; telephone: 0207 188 0590.
11. Your responses will be analysed by TPL and/or their appointed agents and copies may be made available to the Planning Inspectorate, Secretary of State and/or other relevant statutory bodies in due course. We will request that your personal details are not placed on the public record. Your personal details will be held securely by TPL and/or their appointed agents in accordance with the relevant current data protection legislation and will be used solely in connection with the construction process and subsequent DCO application and, except as noted above, will not be passed to any third parties. If you are responding on behalf of an organisation, the organisation may be named in the Consultation Report which will accompany our DCO application.
12. Please note that all responses must be received by TPL by 11.59pm on 14th November 2018. TPL cannot guarantee that late responses will be considered.

**PUBLIC NOTICE
Thurrock Power Limited - a Statera Energy Group Company
PROPOSED CONSULTATION AND STATEMENT OF COMMUNITY CONSULTATION NOTICE**

Thurrock Power Limited (Thurrock Power), a Statera Energy Group Company, proposes to develop a flexible generation plant on land north of Tibury Substation in Thurrock (the Project). The flexible generation plant will provide up to 600 megawatts of electrical generation capacity on a fast response basis when called for by the National Grid, together with up to 150 megawatts of battery storage capacity. This notice explains more about the Project and provides information about where a more detailed explanation of the proposed consultation with the local community can be accessed.

The flexible generation plant comprises retrofitting gas engines, batteries, and associated electrical and control equipment. A new access road and a gas pipeline connection to the gas national transmission system will be developed. The electrical export connection will be via underground cables and finance, the flexible generation plant could enter commercial operation towards the end of 2021.

The proposed development will be designed to operate for at least 35 years, after which ongoing operation and market conditions will be reviewed. If it is not appropriate to continue operating after that time, one or both facilities (gas engines or batteries) will be decommissioned.

The proposed development is a Nationally Significant Infrastructure Project under the Planning Act 2008, which means that a Development Consent Order (DCO) is required to build, operate and maintain it.

Due to the nature and size of the Project, Thurrock Power is undertaking an Environmental Impact Assessment (EIA) and the Project is therefore classified as an EIA development. The EIA will consider the potential impacts, both positive and negative, of the Project including air quality, noise, visual and cumulative impact, traffic, local ecology, archaeology and heritage and socio-economics.

The DCO application will be processed and examined by the Planning Inspectorate and will make a recommendation to the Secretary of State for Business, Energy and Industrial Strategy. The final decision on whether to grant the application will be made by the Secretary of State.

Formal consultation with local people, businesses and other organisations is an essential part of the DCO application process and will help influence the final design of the Project. Only after all consultation responses have been considered will the Project design be finalised and the application for DCO be submitted.

The Government's policies in relation to Nationally Significant Infrastructure Projects are set out in National Policy Statements (NPSs). NPS EN-1 (Energy) states that "gas will continue to play an important role in the electricity sector - providing vital flexibility to support an increasing amount of low-carbon generation and to maintain security of supply." As the need for this type of development has been established by national policy, the principle of developing flexible generation is not a matter for consultation.

Thurrock Power has prepared a Statement of Community Consultation (SoCC), which sets out how it proposes to consult people living and working in the vicinity of the site about the proposed DCO application. This document is available for inspection on the Project website (www.thurrockpower.co.uk) and at the following public venues from the date of publication of this notice until the end of the formal consultation period (opening times may vary):

Location	Address
Thurrock Council	Civic Offices, New Road, Grays, RM17 6SL
Tibury Hub	16 Civic Square, Tibury, RM18 8ZZ
Gravesend Library	Windmill Street, Gravesend, DA12 1BE
Chadwell St Mary Library	Brentwood Road, Chadwell St Mary, Grays, RM16 4JP

Households and businesses within a consultation zone specified in the SoCC will receive a letter informing them about the public consultation process, how to obtain further information, and how to provide feedback to Thurrock Power. These letters will be delivered on or around 2nd October 2018. Public Consultation Exhibitions about the project will be held at the following locations and times:

Location	Venue	Date	Time
Gravesend	The Court Room, Gravesend Old Town Hall, High Street, Gravesend, DA11 0AZ	Tuesday 16th October 2018	11am to 8pm
West Tibury	West Tibury Village Hall, Rectory Road, West Tibury, RM18 8UD	Tuesday 23rd October 2018	11am to 8pm
Tibury Hub	Tibury Hub, 16 Civic Square, Tibury, RM18 8ZZ	Friday 2nd November 2018	11am to 8pm
Linford	Linford Village Hall, Lower Crescent, Linford, SS17 0QP	Wednesday 7th November 2018	11am to 5.30pm

From 16th October 2018, information about the proposed Project, including a 'have your say' document, a feedback form and a Preliminary Environmental Information Report containing a non-technical summary, will be made available for inspection on the Project website and at the following locations (opening times may vary):

Location	Address
Thurrock Council	Civic Offices, New Road, Grays, RM17 6SL
Tibury Hub	16 Civic Square, Tibury, RM18 8ZZ
Gravesend Library	Windmill Street, Gravesend, DA12 1BE
Chadwell St Mary Library	Brentwood Road, Chadwell St Mary, Grays, RM16 4JP

The formal consultation period will end at 11.59pm on 14th November 2018, and all feedback must be received by Thurrock Power by this time. Feedback may be made public, subject to current relevant data protection legislation.

A Guide to Making Representations is available from the Traffic Commissioner's Office.

Goods Vehicle Operator's Licence

Roman Negru trading as RPP Trains Limited of 244 Springfield Road, Harrow, Middlesex, HA1 1PY is applying to change an existing licence as follows: to add an operating centre to use 10 goods vehicles and 10 trailers at Port of Tilbury, Leslie Ford House, Tilbury, Essex, RM18 7ZH. Owners or occupiers of land (including buildings) near the operating centre(s) who believe that their use or enjoyment of that land would be affected, should make written representations to the Traffic Commissioner at Hillcrest House, 385, Harehills Lane, Leeds LS9 6NF, stating their reasons, within 21 days of this notice. Representors must at the same time send a copy of their representations to the applicant at the address given at the top of this notice. A Guide to Making Representations is available from the Traffic Commissioner's Office.

PUBLIC NOTICE

**Thurrock Power Limited - a Statera Energy Group Company
PROPOSED CONSULTATION AND STATEMENT OF
COMMUNITY CONSULTATION NOTICE**

THURROCK Power Limited (Thurrock Power), a Statera Energy Group Company, proposes to develop a flexible generation plant on land north of Tilbury Substation in Thurrock (the Project). The flexible generation plant will provide up to 600 megawatts of electrical generation capacity on a fast response basis when called for by the National Grid, together with up to 150 megawatts of battery storage capacity.

This notice explains more about the Project and provides information about where a more detailed explanation of the proposed consultation with the local community can be accessed.

The flexible generation plant comprises reciprocating gas engines, batteries, and associated electrical and control equipment. A new access road and a gas pipeline connection to the gas national transmission system will be developed. The electrical export connection will be via underground cables to the immediately adjacent National Grid Tilbury Substation. Subject to public consultation, planning and finance, the flexible generation plant could enter commercial operation towards the end of 2021.

The proposed development will be designed to operate for at least 35 years, after which ongoing operation and market conditions will be reviewed. If it is not appropriate to continue operating after that time, one or both facilities (gas engines or batteries) will be decommissioned.

The proposed development is a Nationally Significant Infrastructure Project under the Planning Act 2008, which means that a Development Consent Order (DCO) is required to build, operate and maintain it.

Due to the nature and size of the Project, Thurrock Power, as undertaking an Environmental Impact Assessment (EIA) and the Project is therefore classified as an EIA development. The EIA will

consider the potential impacts, both positive and negative, of the Project including air quality, noise, visual and cumulative impact, traffic, local ecology, archaeology and heritage and socio-economics.

The DCO application will be processed and examined by the Planning Inspectorate who will make a recommendation to the Secretary of State for Business, Energy and Industrial Strategy. The final decision on whether to grant the application will be made by the Secretary of State.

Formal consultation with local people, businesses and other organisations is an essential part of the DCO application process and will help influence the final design of the Project. Only after all consultation responses have been considered will the Project design be finalised and the application for DCO be submitted.

The Government's policies in relation to Nationally Significant Infrastructure Projects are set out in National Policy Statements (NPS). NPS EN-1 (Energy) states that: "gas will continue to play an important role in the electricity sector - providing vital flexibility to support an increasing amount of low-carbon generation and to maintain security of supply." As the need for this type of development has been established by national policy, the principle of developing flexible generation is not a matter for consultation.

Thurrock Power has prepared a Statement of Community Consultation (SoCC), which sets out how it proposes to consult people living and working in the vicinity of the site about the proposed DCO application. This document is available for inspection on the Project website (www.thurrockpower.co.uk) and at the following public venues from the date of publication of this notice until the end of the formal consultation period (opening times may vary).

Location	Address
Thurrock Council	Civic Offices, New Road, Grays, RM17 6SL
Tilbury Hub	16 Civic Square, Tilbury, RM18 8ZZ
Gravesend Library	Windmill Street, Gravesend, DA12 1BE
Chadwell St Mary Library	Brentwood Road, Chadwell St Mary, RM16 4JP

HOUSEHOLDS and businesses within a consultation zone specified in the SoCC will receive a letter informing them about the public consultation process, how to obtain further information, and how to provide

feedback to Thurrock Power. These letters will be delivered on or around 2nd October 2018. Public Consultation Exhibitions about the project will be held at the following locations and times:

Location	Venue	Date	Time
Gravesend	The Court Room, Gravesend Old Town Hall, High Street, Gravesend, DA11 0AZ	Tuesday 16th October 2018	11am to 6pm
West Tilbury	West Tilbury Village Hall, Rectory Road, West Tilbury, RM18 8UD	Tuesday 23rd October 2018	11am to 6pm
Tilbury Hub	Tilbury Hub, 16 Civic Square, Tilbury, RM18 8ZZ	Friday 2nd November 2018	11am to 6pm
Linford	Linford Village Hall, Lower Crescent, Linford, SS17 0QP	Wednesday 7th November 2018	11am to 5.30pm

From 16th October 2018, information about the proposed Project, including a 'have your say' document, a feedback form and a Preliminary Environmental Information Report, con-

taining a non-technical summary, will be made available for inspection on the Project website and at the following locations (opening times may vary):

Location	Address
Thurrock Council	Civic Offices, New Road, Grays, RM17 6SL
Tilbury Hub	16 Civic Square, Tilbury, RM18 8ZZ
Gravesend Library	Windmill Street, Gravesend, DA12 1BE
Chadwell St Mary Library	Brentwood Road, Chadwell St Mary, RM16 4JP

The formal consultation period will end at 11.59pm on 14th November 2018, and all feedback must be received by Thurrock Power by this time. Feedback may be made public, subject to current relevant data protection legislation.

Website: www.thurrockpower.co.uk Email: contact@thurrockpower.co.uk, Telephone: 0207 1860580, Free Post: THURROCK POWER.

**PUBLIC NOTICE
Thurrock Power Limited - a Statera Energy Group Company
SECTION 48 Planning Act 2008**

**Regulation 4 Infrastructure Planning (Applications: Prescribed Forms and Procedure) Regulations 2009
Notice of proposed application for Development Consent Order to construct, operate and decommission the Thurrock Flexible Generation Plant, Tilbury Marshes.**

1. Notice is hereby given that Thurrock Power Limited ("TPL"), of 1st Floor, 145 Kensington Church Street, London, W8 7LP intends to apply to the Secretary of State for Business, Energy and Industrial Strategy for a Development Consent Order ("DCO") under section 37 of the Planning Act 2008 (the 'Act') to authorise the construction, operation and decommissioning of a gas fired flexible electricity generation plant and battery storage facility (the 'Project').

2. The Project will include reciprocating gas engines, batteries, and associated electrical and control equipment. A new transmission access road and a gas pipeline connection to the gas national transmission system will be developed. The electrical export connection will be via underground cables to the immediately adjacent National Grid Tilbury Substation. TPL has been established by Statera Energy Limited to develop the Project.

3. The main development site for the Project covers an area of approximately 18 hectares and is located on the Tilbury Marshes, just east of the existing Tilbury Substation.

4. The proposed DCO would, among other things, license and authorise:

- reciprocating gas engines with rated electrical output totalling up to 600 MW;
- batteries with rated electrical output of 150 MW and storage capacity of up to 600 MW;
- gas and electricity connections, access roads and minor public highway widening for delivery of large loads;
- designation of replacement common land (exchange land) and possible creation of habitat for protected species translocation;
- if required, the permanent and/or temporary compulsory acquisition of land and/or rights over land for this Project;
- if required, overriding of easements and other rights over or affecting land for this Project;
- if required, permanent and/or temporary changes to the highway network for this Project;
- temporary construction compounds for the flexible power generation plant, gas connection and electrical connection;
- site drainage and waste management infrastructure and other services.

- the application and/or discontinuation of legislation relevant to the Project, as may be required;
- construction, operation and maintenance of associated development;
- if required, the temporary stopping up of public footpaths during construction;
- such ancillary, incidental and consequential works, provisions, permits, consents, waivers or releases as are necessary and/or convenient for the successful construction, operation, maintenance and decommissioning of the Project;

5. Due to the nature and size of the Project, TPL is undertaking an Environmental Impact Assessment ('EIA'). The Project is therefore classified as an EIA development under the Infrastructure Planning (Environmental Impact Assessment) Regulations 2017. As such, the proposed application for DCO will be accompanied by an Environmental Statement ('ES'), which will provide a detailed description of the Project and its potential environmental impacts.

6. Information compiled to date about the Project's potential environmental impacts is contained in a Preliminary Environmental Information Report ('PEIR'), which includes a non-technical summary. These documents will be available to view or download free of charge on the Project website (www.thurrockpower.co.uk) from 16th October 2018.

7. The above documents, along with a 'have your say' document, plan(s) showing the application area and a Statement of Community Consultation will be available to view free of charge during the formal consultation period, from 16th October to 14th November 2018, at the following public venues (opening times may vary):

Location	Address
Thurrock Council	Civic Offices, New Road, Grays, RM17 6SL
Tilbury Hub	16 Civic Square, Tilbury, RM18 8ZZ
Gravesend Library	Windmill Street, Gravesend, DA12 1BE
Chadwell St Mary Library	Brentwood Road, Chadwell St Mary, RM16 4JP

8. The above documents will also be available to view free of charge during the formal consultation period at the main offices of Thurrock Council at: Civic Offices, New Road, Grays, RM17 6SL, telephone: 01375 652652 and at four public consultation exhibitions which will be held by TPL at the following locations and times:

Location	Venue	Date	Time
Gravesend	The Court Room, Gravesend Old Town Hall, High Street, Gravesend, DA11 0AZ	Tuesday 16th October 2018	11am to 6pm
West Tilbury	West Tilbury Village Hall, Rectory Road, West Tilbury, RM18 8UD	Tuesday 23rd October 2018	11am to 6pm
Tilbury Hub	Tilbury Hub, 16 Civic Square, Tilbury, RM18 8ZZ	Friday 2nd November 2018	11am to 6pm
Linford	Linford Village Hall, Lower Crescent, Linford, SS17 0QP	Wednesday 7th November 2018	11am to 5.30pm

9. DVD copies of the full PEIR will be available at the above public exhibition venues and may be taken away free of charge. Hard copies of the full PEIR and appendices may be requested and a reasonable charge up to a maximum of £500 will apply. Copy documents and/or PEIR DVD's may be requested by emailing TPL at: contact@thurrockpower.co.uk, or by writing to us at the postal address in paragraph 1, above, or by telephoning us on: 0207 186 0580.

10. If you wish to respond to this notice and/or make representations about the Project, these should be provided to TPL.

Please include your name and a postal or email address where correspondence about the response can be sent.

Representations can be made in the following ways: website: www.thurrockpower.co.uk; email: contact@thurrockpower.co.uk; Freepost: Freepost THURROCK POWER; telephone: 0207 186 0580.

11. Your responses will be analysed by TPL and/or their appointed agents and copies may be made available to the Planning Inspectorate, Secretary of State and/or other relevant statutory bodies in due course. We will request that your personal details are not placed on the public record. Your personal details will be held securely by TPL and/or their appointed agents in accordance with relevant current data protection legislation and will be used solely in connection with the consultation process and subsequent DCO application and, except as noted above, will not be passed to any third parties. If you are responding on behalf of an organisation, the organisation may be named in the Consultation Report which will accompany our DCO application.

12. Please note that all responses must be received by TPL by 11.59pm on 14th November 2018. TPL cannot guarantee that late responses will be considered.

PUBLIC NOTICE

**Thurrock Power Limited - a Statera Energy Group Company
PROPOSED CONSULTATION AND STATEMENT OF
COMMUNITY CONSULTATION NOTICE**

Thurrock Power Limited (Thurrock Power), a Statera Energy Group Company, proposes to develop a flexible generation plant on land north of Tibury Substation in Thurrock (the Project). The flexible generation plant will provide up to 600 megawatts of electrical generation capacity on a 150 response basis when called for by the National Grid, together with up to 150 megawatts of battery storage capacity.

This notice explains more about the Project and provides information about where a more detailed explanation of the proposed consultation with the local community can be accessed.

The flexible generation plant comprises reciprocating gas engines, batteries, and associated electrical and control equipment. A new access road and a gas pipeline connection to the gas national transmission system will be developed. The electrical export connection will be via underground cables to the immediately adjacent National Grid Tibury Substation. Subject to public consultation, planning and finance, the flexible generation plant could enter commercial operation towards the end of 2021.

The proposed development will be designed to operate for at least 35 years, after which ongoing operation and market conditions will be reviewed. If it is not appropriate to continue operating after that time, one or both facilities (gas engines or batteries) will be decommissioned.

The proposed development is a Nationally Significant Infrastructure Project under the Planning Act 2008, which means that a Development Consent Order (DCO) is required to build, operate and maintain it.

Due to the nature and size of the Project, Thurrock Power is undertaking an Environmental Impact Assessment (EIA) and the Project is therefore classified as an EIA development. The EIA will consider the potential impacts, both positive and negative, of the Project including air quality, noise, visual and cumulative impact, traffic, local ecology, archaeology and heritage and socio-economics.

The DCO application will be processed and examined by the Planning Inspectorate who will make a recommendation to the Secretary of State for Business, Energy and Industrial Strategy. The final decision on whether to grant the application will be made by the Secretary of State.

Formal consultation with local people, businesses and other organisations is an essential part of the DCO application process and will help influence the final design of the Project. Only after all consultation responses have been considered will the Project design be finalised and the application for DCO be submitted.

The Government's policies in relation to Nationally Significant Infrastructure Projects are set out in National Policy Statements (NPSs). NPS EN-1 (Energy) states that "gas will continue to play an important role in the electricity sector - providing vital flexibility to support an increasing amount of low-carbon generation and to maintain security of supply." As the need for this type of development has been established by national policy, the principle of developing flexible generation is not a matter for consultation.

Thurrock Power has prepared a Statement of Community Consultation (SOCC), which sets out how it proposes to consult people living and working in the vicinity of the site about the proposed DCO application. This document is available for inspection on the Project website (www.thurrockpower.co.uk) and at the following public venues from the date of publication of this notice until the end of the formal consultation period (opening times may vary):

Location	Address
Thurrock Council	Civic Offices, New Road, Grays, RM17 6SL
Tibury Hub	16 Civic Square, Tibury, RM18 8ZZ
Gravesend Library	Windmill Street, Gravesend, DA12 1BE
Chadwell St Mary Library	Brentwood Road, Chadwell St Mary, Grays, RM18 4JP

Households and businesses within a consultation zone specified in the SOCC will receive a letter informing them about the public consultation process, how to obtain further information, and how to provide feedback to Thurrock Power. These letters will be delivered on or around 29th October 2018.

Public Consultation Exhibitions about the project will be held at the following locations and times:

Location	Venue	Date	Time
Gravesend	The Court Room, Gravesend Old Town Hall, High Street, Gravesend, DA11 0AZ	Tuesday 16th October 2018	11am to 8pm
West Tibury	West Tibury Village Hall, Rectory Road, West Tibury, RM18 8UD	Tuesday 23rd October 2018	11am to 8pm
Tibury Hub	16 Civic Square, Tibury, RM18 8ZZ	Friday 2nd November 2018	11am to 8pm
Linford	Linford Village Hall, Lower Crescent, Linford, SS17 0QP	Wednesday 7th November 2018	11am to 5.30pm

From 16th October 2018, information about the proposed Project, including a 'have your say' document, a feedback form and a Preliminary Environmental Information Report containing a non-technical summary, will be made available for inspection on the Project website and at the following locations (opening times may vary):

Location	Address
Thurrock Council	Civic Offices, New Road, Grays, RM17 6SL
Tibury Hub	16 Civic Square, Tibury, RM18 8ZZ
Gravesend Library	Windmill Street, Gravesend, DA12 1BE
Chadwell St Mary Library	Brentwood Road, Chadwell St Mary, Grays, RM18 4JP

The formal consultation period will end at 11.59pm on 14th November 2018, and all feedback must be received by Thurrock Power by this time. Feedback may be made public, subject to current relevant data protection legislation.

**SOUTH DOWNS NATIONAL PARK AUTHORITY
SECTION 70 (8) PLANNING (LISTED BUILDINGS AND
CONSERVATION AREAS) ACT 1990
ALTERATIONS TO THE BOUNDARY OF SLINDON
CONSERVATION AREA**

The South Downs National Park Authority has completed a review of Slindon Conservation Area.

Notice is hereby given that, on 9th August 2018, the South Downs National Park Authority adopted a Conservation Area Character Appraisal and Management Plan for the Conservation Area.

In carrying out the review the South Downs National Park Authority has exercised the powers granted by Section 69 (2) of the Planning (Listed Buildings and Conservation Areas) Act 1990. The review has looked at the character, the appearance and the special architectural and historic interest of the Conservation Area and has concluded that variations to the boundary are appropriate and timely.

The boundary changes comprise: (1) an extension to the north-western boundary to encompass the former service buildings to Slindon College; (2) a short northwards extension along Mill Lane as far as, and including, the village pound; and (3) open land to the north of Meadsway.

Maps of the revised boundaries are held at the South Downs Centre, North Street, Midhurst GU29 9DH and may be inspected there during the following hours: 09:00-17:00 Monday to Thursday 09:00-16:30 Friday. The adopted Conservation Area Character Appraisal and Management Plan, which incorporates maps showing the extensions, is available to view on-line at:

Director of Planning

South Downs National Park Authority

(3126278)

**DEPARTMENT FOR TRANSPORT
TOWN AND COUNTRY PLANNING ACT 1990**

The Secretary of State gives notice of an Order made under Section 247 of the above Act entitled "The Stopping up of Highway (North West) (No.74) Order 2018" authorising the stopping up of a part-width of the unnamed road connecting Pennine Road and Froom Street, as adjoins number 26 Pennine Road, at Chorley in the Borough of Chorley. This is to enable development as permitted by Chorley Council under reference 17/01032/FUL.

Copies of the Order may be obtained, free of charge, from the Secretary of State, National Transport Casework Team, Tyneside House, Skinnerburn Road, Newcastle Business Park, Newcastle upon Tyne NE4 7AR or nationalcasework@dtf.gov.uk (quoting NATTRAN/NW/S247/3283) and may be inspected during normal opening hours at Chorley Council, Union Street, Chorley PR7 1AL.

Any person aggrieved by or desiring to question the validity of or any provision within the Order, on the grounds that it is not within the powers of the above Act or that any requirement or regulation made has not been complied with, may, within 6 weeks of 09 October 2018 apply to the High Court for the suspension or quashing of the Order or of any provision included.

G Patrick, Casework Manager

(3126279)

**DEPARTMENT FOR TRANSPORT
TOWN AND COUNTRY PLANNING ACT 1990**

The Secretary of State gives notice of the proposal to make an Order under section 247 of the above Act to authorise the stopping up of a north eastern part width of Florence Street and a north western part width of Ramsay Street comprising part of the footway and an area of the unnamed highway which lies to the rear of The Commercial Public House at Winton, in the Metropolitan Borough of Gateshead.

If made, the Order would authorise the stopping up only to enable development as permitted by Gateshead Metropolitan Borough Council, under reference DC/17/00258/FUL.

Copies of the draft Order and relevant plan will be available for inspection during normal opening hours at Level 2 Reception, Development, Transport & Public Protection, Communities & Environment, Gateshead Council, Civic Centre, Regent Street, Gateshead NE8 1HH in the 28 days commencing on 9 October 2018, and may be obtained, free of charge, from the address stated below (quoting NATTRAN/NE/S247/3481).

Any person may object to the making of the proposed order by stating their reasons in writing to the Secretary of State at nationalcasework@dtf.gov.uk or National Transport Casework Team, Tyneside House, Skinnerburn Road, Newcastle upon Tyne NE4 7AR, quoting the above reference. Objections should be received by midnight on 6 November 2018. Any person submitting any correspondence is advised that your personal data and correspondence will be passed to the applicant/agent to be considered. If you do not wish your personal data to be forwarded, please state your reasons when submitting your correspondence.

S Zamenzadeh, Casework Manager

THURROCK POWER LIMITED ('TPL')

SECTION 48 PLANNING ACT 2008

REGULATION 4 INFRASTRUCTURE PLANNING (APPLICATIONS:

PRESCRIBED FORMS AND PROCEDURE) REGULATIONS 2009

NOTICE OF PROPOSED APPLICATION FOR DEVELOPMENT

CONSENT ORDER TO CONSTRUCT, OPERATE AND

DECOMMISSION THE THURROCK FLEXIBLE GENERATION

PLANT, TILBURY MARSHES.

1. Notice is hereby given that Thurrock Power Limited ('TPL'), of 1st Floor, 145 Kensington Church Street, London, W8 7LP intends to apply to the Secretary of State for Business, Energy and Industrial Strategy for a Development Consent Order ('DCO') under section 37 of the Planning Act 2008 (the 'Act') to authorise the construction, operation and decommissioning of a gas fired flexible electricity generation plant and battery storage facility (the 'Project').

2. The Project will include reciprocating gas engines, batteries, and associated electrical and control equipment. A new temporary access road and a gas pipeline connection to the gas national transmission system will be developed. The electrical export connection will be via underground cables to the immediately adjacent National Grid Tilbury Substation. TPL has been established by Statera Energy Limited to develop the Project.

3. The main development site for the Project covers an area of approximately 18 hectares and is located on the Tilbury Marshes, just east of the existing Tilbury Substation.

4. The proposed DCO would, among other things, licence and authorise:

- reciprocating gas engines with rated electrical output totalling up to 600 MW;
- batteries with rated electrical output of 150 MW and storage capacity of up to 600 MW;
- gas and electricity connections, access road(s) and minor public highway widening for delivery of large loads;
- designation of replacement common land (exchange land) and possible creation of habitat for protected species translocation;
- if required, the permanent and/or temporary compulsory acquisition of land and/or rights over land for this Project;
- if required, overriding of easements and other rights over or affecting land for this Project;
- if required, permanent and/or temporary changes to the highway network for this Project

- temporary construction compounds for the flexible power generation plant, gas connection and electrical connection;
- site drainage and waste management infrastructure and other services;
- the application and/or disapplication of legislation relevant to the Project, as may be required;

- construction, operation and maintenance of associated development;
- if required, the temporary stopping up of public footpaths during construction;
- such ancillary, incidental and consequential works, provisions, permits, consents, waivers or releases as are necessary and/or convenient for the successful construction, operation, maintenance and decommissioning of the Project.

5. Due to the nature and size of the Project, TPL is undertaking an Environmental Impact Assessment ('EIA'). The Project is therefore classified as EIA development under the Infrastructure Planning (Environmental Impact Assessment) Regulations 2017. As such, the proposed application for DCO will be accompanied by an Environmental Statement ('ES'), which will provide a detailed description of the Project and its potential environmental impacts.

ENVIRONMENT & INFRASTRUCTURE

6. Information compiled to date about the Project's potential environmental impacts is contained in a Preliminary Environmental Information Report (PEIR), which includes a non-technical summary. These documents will be available to view or download free of charge on the Project website (www.thurrockpower.co.uk) from 16th October 2018.

7. The above documents, along with a 'have your say' document, plan(s) showing the application area and a Statement of Community Consultation will be available to view free of charge during the formal consultation period, from 16th October to 14th November 2018, at the following public venues (opening times may vary):

Location	Address
Thurrock Council	Civic Offices, New Road, Grays, RM17 6SL
Tilbury Hub	16 Civic Square, Tilbury, RM18 8ZZ
Gravesend Library	Windmill Street, Gravesend, DA12 1BE
Chadwell St Mary Library	Brentwood Road, Chadwell St Mary, Grays, RM16 4JP

8. The above documents will also be available to view free of charge during the formal consultation period at the main offices of Thurrock Council at: Civic Offices, New Road, Grays, RM17 6SL, telephone: 01375 652652 and at four public consultation exhibitions which will be held by TPL at the following locations and times:

Location	Venue	Date	Time
Gravesend	The Court Room, Gravesend Old Town Hall, High Street, Gravesend, DA11 0AZ	Tuesday 16th October 2018	11am to 8pm
West Tilbury	West Tilbury Village Hall, Rectory Road, West Tilbury, RM18 8UD	Tuesday 23rd October 2018	11am to 8pm
Tilbury Hub	Tilbury Hub, 16 Civic Square, Tilbury, RM18 8ZZ	Friday 2nd November 2018	11am to 8pm
Linford	Linford Village Hall, Lower Crescent, Linford, SS17 0QP	Wednesday 7th November 2018	11am to 5.30pm

9. DVD copies of the full PEIR will be available at the above public exhibition venues and may be taken away free of charge. Hard copies of the full PEIR and appendices may be requested and a reasonable charge up to a maximum of £500 will apply. Copy documents and/or PEIR DVD's may be requested by emailing TPL at: contact@thurrockpower.co.uk, or by writing to us at the postal address in paragraph 1, above, or by telephoning us on: 0207 186 0580.

10. If you wish to respond to this notice and/or make representations about the Project, these should be provided to TPL. Please include your name and a postal or email address where correspondence about the response can be sent. Representations can be made in the following ways: website: www.thurrockpower.co.uk; email: contact@thurrockpower.co.uk; Freepost to: Freepost THURROCK POWER, telephone: 0207 186 0580.

11. Your responses will be analysed by TPL and/or their appointed agents and copies may be made available to the Planning Inspectorate, Secretary of State and/or other relevant statutory bodies in due course. We will request that your personal details are not placed on the public record. Your personal details will be held securely by TPL and/or their appointed agents in accordance with relevant current data protection legislation and will be used solely in connection with the consultation process and subsequent DCO application and, except as noted above, will not be passed to any third parties. If you are responding on behalf of an organisation, the organisation may be named in the Consultation Report which will accompany our DCO application.

12. Please note that all responses must be received by TPL by 11.59pm on 14th November 2018. TPL cannot guarantee that late responses will be considered.

PUBLIC NOTICE

Section 48 Planning Act 2008

Regulation 4 Infrastructure Planning (Applications: Prescribed Forms and Procedures) Regulations 2009

Notice of proposed application for Development Consent Order to construct, operate and decommission the Thurrock Flexible Generation Plant, Tilbury Marshes.

1. Notice is hereby given that Thurrock Power Limited (TPL), of 1st Floor, 145 Kensington Church Street, London, W8 7LH intends to apply to the Secretary of State for Business, Energy and Industrial Strategy for a Development Consent Order (DCO) under section 37 of the Planning Act 2008 (the Act) to authorise the construction, operation and decommissioning of a gas fired flexible electricity generating plant and battery storage facility (the Project).
2. The Project will include reciprocating gas engines, batteries, and associated electrical and control equipment. A new temporary access road and a gas pipeline connection to the gas national transmission system will be developed. The electrical export connection will be via underground cables to the immediately adjacent National Grid Tilbury Substation. TPL has been established by Statena Energy Limited to develop the Project.
3. The main development site for the Project covers an area of approximately 16 hectares and is located on the Tilbury Marshes, just east of the existing Tilbury Substation.
4. The proposed DCO would, among other things, license and authorise:
 - reciprocating gas engines with rated electrical output totalling up to 600 MW;
 - batteries with rated electrical output of 150 MW and storage capacity of up to 620 MWh;
 - gas and electricity connections, access roads and minor public highway widening for delivery of large loads;
 - designation of replacement common land (exchange land) and possible creation of habitats for protected species translocation;
 - if required, the permanent and/or temporary compulsory acquisition of land and/or rights over land for this Project;
 - if required, overriding of easements and other rights over or affecting land for this Project;
 - if required, permanent and/or temporary changes to the highway network for this Project;
 - temporary construction compounds for the flexible power generation plant, gas connection and electrical connection;
 - site drainage and waste management infrastructure and other services;
 - the application and/or discontinuation of legislation relevant to the Project, as may be required;
 - construction, operation and maintenance of associated development;
 - if required, the temporary stopping up of public footpaths during construction;
 - such ancillary, incidental and consequential works, provisions, permits, consents, waivers or releases as are necessary and/or convenient for the successful construction, operation, maintenance and decommissioning of the Project.
5. Due to the nature and size of the Project, TPL is undertaking an Environmental Impact Assessment (EIA). The Project will be EIA development under the Infrastructure Planning (Environmental Impact Assessment) Regulations 2017. As such, the proposed application for DCO will be accompanied by an Environmental Statement (ES), which will provide a detailed description of the Project and its potential environmental impacts.
6. Information compiled to date about the Project's potential environmental impacts is contained in a Preliminary Environmental Report (PER), which includes a non-technical summary. These documents will be available to view or download free of charge on the Project website (www.thurrockpower.co.uk) from 18th October 2018.
7. The above documents, along with a 'have your say' document, plan(s) showing the application area and a Statement of Community Consultation will be available to view free of charge during the formal consultation period, from 18th October to 14th November 2018, at the following public venues (opening times may vary):

Location	Address
Thurrock Council	Civic Offices, New Road, Grays, RM17 6SL
Tilbury Hub	16 Civic Square, Tilbury, RM18 8ZZ
Gravesend Library	Windmill Street, Gravesend, DA12 1BE
Chadwell St Mary Library	Brentwood Road, Chadwell St Mary, Grays, RM16 4JP

8. The above documents will also be available to view free of charge during the formal consultation period at the main offices of Thurrock Council at: Civic Offices, New Road, Grays, RM17 6SL, telephone: 01275 626262 and at four public consultation exhibitions which will be held by TPL at the following locations and times:

Location	Venue	Date	Time
Gravesend	The Court Room, Gravesend Old Town Hall, High Street, Gravesend, DA11 6AZ	Tuesday 16th October 2018	11am to 8pm
West Tilbury	West Tilbury Village Hall, Rectory Road, West Tilbury, RM18 8UD	Tuesday 23rd October 2018	11am to 8pm

9. DVD copies of the full PER will be available at the above public exhibition venues and may be taken away free of charge. Hard copies of the full PER and appendices may be requested and a reasonable charge up to a maximum of £500 will apply. Copy documents and/or PER DVDs may be requested by emailing TPL at: contact@thurrockpower.co.uk, or by writing to us at the postal address in paragraph 1, above, or by telephoning us on: 0207 186 0080.
10. If you wish to respond to this notice and/or make representations about the Project, these should be provided to TPL. Please include your name and a postal or email address where correspondence about the response can be sent. Representations can be made in the following ways: website: www.thurrockpower.co.uk; email: contact@thurrockpower.co.uk; Prepaid Post: Prepaid THURROCK POWER; telephone: 0207 186 0080.
11. Your responses will be analysed by TPL and/or their appointed agents and copies may be made available to the Planning Inspectorate, Secretary of State and/or other relevant statutory bodies in due course. We will request that your personal details are not placed on the public record. Your personal details will be held securely by TPL and/or their appointed agents in accordance with relevant current data protection legislation and will be used solely in connection with the consultation process and subsequent DCO application and, except as noted above, will not be passed to any third parties. If you are responding on behalf of an organisation, the organisation may be named in the Consultation Report which will accompany the DCO application.
12. Please note that all responses must be received by TPL by 11.59pm on 14th November 2018. TPL cannot guarantee that late responses will be considered.

BRENTWOOD BOROUGH COUNCIL

STATUTORY PLANNING NOTICE

Notice is hereby given that the Council has received the following applications which need to be advertised for the following reasons set out below:

Application No: 18/01435/LBC
Location: Lincoln Farm Lincolns Lane Pilgrims Hatch South Weald Essex CM14 5RS
Proposal: Revised application to change plan line to parallel on 17/004/LBC (The Barn).
 Cowhouses and land cart stores are to be converted into a single dwelling house with associated parking and amenity area. Plans (area of special character) retain large light internal volumes. Reuse existing openings, retain all historic features, reuse existing plan (dry lay roofing materials). No old building and Barn, Eastern and Western ranges to be retained, new windows to be installed (formed from glass and to be held in brick frames. External weather boarding in clear matt stain. New courtyard, golf and hot tennis to be used)
Reason: Listed Building
 Article 13 Full Application

Application No: 18/01434/FUL
Location: Lincoln Farm Lincolns Lane Pilgrims Hatch South Weald Essex CM14 5RS
Proposal: Easing driveway, form path to rear in place of existing driveway to site and remove section of concrete slab to north of east wing to be used in connection with barn conversion as approved by 17/0042/FUL
Reason: Listed Building

Application No: 18/01577/LBC
Location: Little Beacon Hill Farm 15 Church Road Kelvedon Hatch Essex CM14 5TJ
Proposal: Conversion of barn into 4 bed dwelling
Reason: Listed Building

Application No: 18/00987/FUL
Location: Brentwood Theatre Sheffield Road Brentwood Essex CM15 6AG
Proposal: Two storey roof and part two storey part first floor side extension with rear entrance and fire escape, to provide additional foyer and bar areas, kitchen, store and offices, lighting and sound gallery with extended technical gallery
Reason: Listed Building

Application No: 18/01474/LBC
Location: 113 High Street Brentwood Essex CM14 4PL
Proposal: Change use of business from A1 (cold food takeaway) to A8 (hot food takeaway). Addition of an outdoor food and refreshment space above kitchen area at the rear of the shop together with removal of asbestos roof at rear to be replaced with rubber roof

THURROCK POWER LIMITED

PUBLIC CONSULTATION EXHIBITIONS

PROPOSAL TO BUILD A GAS FIRED ELECTRICITY GENERATING POWER STATION AND BATTERY STORAGE FACILITY ON TILBURY MARSHES

Thurrock Power Limited is seeking the views of the public on its proposals to build, operate and decommission a gas fired electricity generating peaking plant and battery storage facility on Tilbury Marshes and on the findings of its preliminary environmental information studies.

We are holding four public consultation exhibitions where you will be able to find out more about the proposed project and provide feedback to us. Members of our project team will be on hand to give further information and answer any questions you may have.

Town and Country Planning (Development Management Procedure) (England) Order 2010 NOTICE UNDER ARTICLE 11

OF APPLICATION FOR PLANNING PERMISSION

Proposed development at: 63 Swanen Road, Tilbury, Essex RM11 8AU
 Application is being made by: Miss Danielle Smith

For Planning permission to: Retrospective change of use of grass verge to include the garden and construction of new boundary fence.

Local planning authority to whom the application is being submitted: Thurrock Council

Local planning authority address: Thurrock Council, Civic Offices, New Road, Grays, Essex RM17 6PL

Any owner of the land or tenant who wishes to make representations about this application, should write to the council within 21 days of the date of this notice.

Date: 08-10-2018

Statements of owners' rights: The grant of permission does not affect owners' rights to relate or dispose of their property, unless there is some provision to the contrary in an agreement or lease.

Statement of agricultural tenants' rights: The grant of planning permission for non-agricultural development may affect agricultural tenants' security of tenure.

'Owner' means a person having a freehold interest or a leasehold interest in the unexpired term of which is not less than seven years.

'Tenant' means a tenant of an agricultural holding, any part of which is comprised in the land.

'Term' means a term of an agricultural holding, any part of which is comprised in the land.

'Term' means a term of an agricultural holding, any part of which is comprised in the land.

Public Notices

Section 48 Planning Act 2008 Regulation 4 Infrastructure Planning (Applications: Prescribed Forms and Procedure) Regulations 2009

Notice of proposed application for Development Consent Order to construct, operate and decommission the Thurrock Flexible Generation Plant, Tilbury Marshes.

- Notice is hereby given that Thurrock Power Limited ('TPL'), of 1st Floor, 145 Kensington Church Street, London, W8 7LP intends to apply to the Secretary of State for Business, Energy and Industrial Strategy for a Development Consent Order ('DCO') under section 37 of the Planning Act 2008 (the 'Act') to authorise the construction, operation and decommissioning of a gas fired flexible electricity generation plant and battery storage facility (the 'Project').
- The Project will include reciprocating gas engines, batteries, and associated electrical and control equipment. A new temporary access road and a gas pipeline connection to the gas national transmission system will be developed. The electrical export connection will be via underground cables to the immediately adjacent National Grid Tilbury Substation. TPL has been established by Statera Energy Limited to develop the Project.
- The main development site for the Project covers an area of approximately 18 hectares and is located on the Tilbury Marshes, just east of the existing Tilbury Substation.
- The proposed DCO would, among other things, licence and authorise:
 - Reciprocating gas engines with rated electrical output totalling up to 600 MW;
 - Batteries with rated electrical output of 150 MW and storage capacity of up to 600 MW;
 - Gas and electricity connections, access road(s) and minor public highway widening for delivery of large loads;
 - Designation of replacement common land (exchange land) and possible creation of habitat for protected species translocation;
 - If required, the permanent and/or temporary compulsory acquisition of land and/or rights over land for this Project;
 - If required, overriding of easements and other rights over or affecting land for this Project;
 - If required, permanent and/or temporary changes to the highway network for this Project
 - Temporary construction compounds for the flexible power generation plant, gas connection and electrical connection;
 - Site drainage and waste management infrastructure and other services;
 - The application and/or disapplication of legislation relevant to the Project, as may be required;
 - Construction, operation and maintenance of associated development;
 - If required, the temporary stopping up of public footpaths during construction;
 - Such ancillary, incidental and consequential works, provisions, permits, consents, waivers or releases as are necessary and/or convenient for the successful construction, operation, maintenance and decommissioning of the Project.
- Due to the nature and size of the Project, TPL is undertaking an Environmental Impact Assessment ('EIA'). The Project is therefore classified as EIA development under the Infrastructure Planning (Environmental Impact Assessment) Regulations 2017. As such, the proposed application for DCO will be accompanied by an Environmental Statement ('ES'), which will provide a detailed description of the Project and its potential environmental impacts.
- Information compiled to date about the Project's potential environmental impacts is contained in a Preliminary Environmental Information Report ('PEIR'), which includes a non-technical summary. These documents will be available to view or download free of charge on the Project website (www.thurrockpower.co.uk) from 16th October 2018.
- The above documents, along with a 'have your say' document, plan(s) showing the application area and a Statement of Community Consultation will be available to view free of charge during the formal consultation period, from 16th October to 14th November 2018, at the following public venues (opening times may vary):

Location	Address
Thurrock Council	Civic Offices, New Road, Grays, RM17 6SL
Tilbury Hub	16 Civic Square, Tilbury, RM18 8ZZ
Gravesend Library	Windmill Street, Gravesend, DA12 1BE
Chadwell St Mary Library	Brentwood Road, Chadwell St Mary, Grays, RM16 4JP

8. The above documents will also be available to view free of charge during the formal consultation period at the main offices of Thurrock Council at: Civic Offices, New Road, Grays, RM17 6SL, telephone: 01375 652652 and at four public consultation exhibitions which will be held by TPL at the following locations and times:

Location	Venue	Date	Time
Gravesend	The Court Room, Gravesend Old Town Hall, High Street, Gravesend, DA11 0AZ	Tuesday 16th October 2018	11am to 8pm
West Tilbury	West Tilbury Village Hall, Rectory Road, West Tilbury, RM18 8UD	Tuesday 23rd October 2018	11am to 8pm
Tilbury Hub	Tilbury Hub, 16 Civic Square, Tilbury, RM18 8ZZ	Friday 2nd November 2018	11am to 8pm
Linford	Linford Village Hall, Lower Crescent, Linford, SS17 0QP	Wednesday 7th November 2018	11am to 5.30pm

- DVD copies of the full PEIR will be available at the above public exhibition venues and may be taken away free of charge. Hard copies of the full PEIR and appendices may be requested and a reasonable charge up to a maximum of £500 will apply. Copy documents and/or PEIR DVD's may be requested by emailing TPL at: contact@thurrockpower.co.uk, or by writing to us at the postal address in paragraph 1, above, or by telephoning us on: 0207 186 0580.
- If you wish to respond to this notice and/or make representations about the Project, these should be provided to TPL. Please include your name and a postal or email address where correspondence about the response can be sent. Representations can be made in the following ways: website: www.thurrockpower.co.uk; email: contact@thurrockpower.co.uk; Freepost to: Freepost **THURROCK POWER**; telephone: 0207 186 0580.
- Your responses will be analysed by TPL and/or their appointed agents and copies may be made available to the Planning Inspectorate, Secretary of State and/or other relevant statutory bodies in due course. We will request that your personal details are not placed on the public record. Your personal details will be held securely by TPL and/or their appointed agents in accordance with relevant current data protection legislation and will be used solely in connection with the consultation process and subsequent DCO application and, except as noted above, will not be passed to any third parties. If you are responding on behalf of an organisation, the organisation may be named in the Consultation Report which will accompany our DCO application.
- Please note that all responses must be received by TPL by 11.59pm on 14th November 2018.** TPL cannot guarantee that late responses will be considered.
