Preliminary Environmental Information Report Appendix 2.1: Enhancement, Mitigation and Monitoring Commitments

Date: September 2018

1. Purpose

- 1.1.1 This appendix of the Preliminary Environmental Information Report will be produced for the Environmental Statement. It will collate and summarise all mitigation, enhancement and monitoring commitments following consultation inputs and agreement of those measures.
- 1.1.2 At present, measures can be found each topic chapter of Volume 3, in Section 2.6 (designed-in mitigation) and in the assessments in Section 4 of each chapter, where any further mitigation, enhancement or monitoring measures are recommended.
